Today's Gospel

When Jesus was twelve years old His parents, Joseph and Mary brought Him to the Passover in Jerusalem. The Passover was an enormous gathering of people from a very wide region. Tens of thousands. After the celebrations when they were shaping up to go home they discovered Jesus was missing. What a moment of personal stress that must have been for Mary and Joseph. The search began and Jesus was found three days later in the Temple. Does this three day search prefigure the death, and resurrection of Jesus? On the third day He rose again. To keep Jesus in view we too must, through daily prayer, live our lives close to Jesus. We are assured Jesus will be found in God's house, (temple)
