Today's Gospel

When he is quizzed about Marriage Jesus defends and upholds its sanctity and challenges his listeners to live it as God intended. Jesus became annoyed with the adults and he said to them "Let the children come to me, do not stop them." He says children are exemplary members of the Kingdom of God. How can our children come to Jesus to grow in knowledge and love of Him if their parents do not bring their children to Jesus. Today, with delight, I welcome all families present. I thank parents who have made the effort to be present. Let us all be a blessing to each other.
