Rosary for Fr. Sean 7.45pm every Wednesday.

The Parish Council have being approached by a large number of Parishioners who are very disappointed and concerned at the state of our graveyard. Louth Parish was renowned in the manner it kept its cemetery but unfortunately at the moment it is in a most unsatisfactory state. We would appeal to everyone to respect the final resting place of our loved ones by not driving on the grass especially in this inclement weather and we also make an appeal to all dog walkers **NOT** to use the graveyard but if you have to **PLEASE** clean up after them as it's very upsetting on the family of the deceased to see their beloved grave desecrated by dog excrement. Remember the graveyard is a sacred and holy place. **PLEASE RESPECT IT.**
