**This little light of mine, I'm gonna let it shine,
let it shine, let it shine, let it shine.**

Won't let Satan blow it out.

I'm gonna let it shine.

Won't let Satan blow it out.

I'm gonna let it shine, let it shine, let it shine, let it shine.

FAITH MATTERS

Today, I would like to call you to do some soul-searching. God wants to make something out of your life. God does NOT want you to live a life of drudgery. God does NOT want you to go through life just putting one foot in front of the other.

- God wants you live a joyful, productive life.
- God wants you to be a light shining in the darkness - helping others who are trying to find their way.
- At the end of the day, God wants you to feel that it was worthwhile that you were alive.
- At the end of your life, God wants to greet you and show you all wonderful things that you accomplish - with God's help - when you let your little light shine.

So what can you do?

• The first thing is to **PRAY** - asking God to reveal what He has in mind for your life.

• The second thing is to **LISTEN** - to hear God when He speaks.

• And when God shows you something that needs doing, **DO IT.**

When God shows you someone who needs helping, **HELP THEM.**

When God shows you a problem, **START LOOKING FOR A SOLUTION.**

With God's help, you will be astonished at how important your life can be - if you just let your little light shine.

How wonderful it would be if these nine words came to mind when you said the word "**Christian**":

Love, Joy, Peace, Patience, Kindness, Goodness, Faithfulness, Gentleness, and Self-Control?
